

THE KADER ASMAL

FELLOWSHIP PROGRAMME

Kader Asmal Fellowship Programme

The Kader Asmal Fellowship Programme is a fully-funded scholarship opportunity for Master's degree study in Ireland. Ireland's institutions of higher education are internationally renowned and ranked. They offer exceptional courses of study in medicine, science, technology, engineering and the social sciences. This is an opportunity for those who want to develop skills and knowledge to contribute to the achievement of the Sustainable Development Goals in South Africa.

Fellowships are offered for postgraduate study in:

- Agriculture, Environmental Science, Conservation, Rural Development.
- Food Science, Food Engineering and related.
- Pharmacy, Biotechnology, Health, Medicine and Health Economics.
- Development Studies, Peace Studies, Conflict Resolution and Humanitarian Action.
- Social Policy, Social Research, Community Development and Sociology.
- Law, Human Rights, Women's Studies, Gender Studies, Equality Studies.
- Engineering, Hydrology, Sustainable Technology.
- Economics, Finance, Accounting, Management and Business.
- Information Systems and Communications Technology.

Applicants must:

- Be a resident national of South Africa.
- Have at least two years relevant work experience (can include internships and volunteering).
- Hold an honours' level academic qualification with a minimum grade point average of 75%.
- Be seeking funding for a full-time postgraduate programme for the academic year 2021/2022.
- Must not have applied for the Fellowship on more than one previous occasion.
- Applicants already in possession of a Master's degree are not eligible.

What the Fellowship offers

- university application fees
- tuition fees, examination and other fees
- economy travel to and from your country of residence to Ireland
- settling in allowance, book allowance and study allowance
- accommodation and a monthly personal living allowance (stipend)
- the costs of an entry clearance (student visitor visa) application
